My dear Son;

I arrived on time yesterday <sup>evening</sup> after making close connection with Media where I found all as well as usual, and came in early this morn.

The enclosed helo. was on my desk. I have just wired Cornell that I left you in Chicago and that I had enclosed his telegram to you. I did not give him your address.

I have heard nothing from those yet - but will write you soon. Were you also Monday?

Kind regards to Mr Peterson.  
Cordially your father
